East Palestine Library Receives Gift of Children's Books

East Palestine Memorial Public Library has received the gift of 100 new children's books, ranging from pre-kindergarten through early readers. These books were a donation from the Brownstone Book Fund, a private foundation in New York City, interested in fostering early reading, a love of books, and encouraging parents and children to read together.

This new collection of books will be on display in the children's area, and will be featured during our storytime programs. Come to the library to explore and enjoy our new collection, and to share these books with the children in your life.
